Congratulations to the Class of May 2020. In August 2019, at the beginning of this academic year, none of us would have anticipated these would be the circumstances under which we would be celebrating your accomplishment. Despite the challenges of this semester, we will still graduate a record number of students in the May 2020 class.

Our university community is made up of students, faculty, staff, alumni and friends who know what it means to be determined and resilient in the face of obstacles. We strive toward our goals by adapting and innovating. We reach out for help when we need it and support one another when we see someone who could use a helping hand. That is what we mean by “In Our Grit, Our Glory.” I could not be more proud of what you and all of our graduating students have accomplished during this unprecedented time of COVID-19. You have earned all the glory that comes with it!

Commencement is a truly special time. As the first in my family to earn a college degree, I cherished my commencement ceremonies. We look forward to having you participate in person with us in one of our ceremonies in the future—whatever will work for you and your families to celebrate this degree and to celebrate this moment in person in our tradition at Nebraska.

You are part of a historical graduating class. You’ll always hold a special place in the heart of this great land-grant university and for me as your chancellor. We believe in you and all you can do with your Nebraska degree!

Ronnie D. Green became the University of Nebraska–Lincoln’s 20th chancellor on May 8, 2016. Green received bachelors and masters degrees in animal science from Virginia Tech and Colorado State University, respectively. His doctoral program was completed jointly at the University of Nebraska and the USDA-ARS U.S. Meat Animal Research Center in animal breeding and genetics in 1988.

Chancellor Green is married to UNL alumna Jane Green and they are the proud parents of four children, all graduates of the University of Nebraska–Lincoln.
John Cook is entering his 21st season as the Nebraska volleyball head coach in 2020. Consistent excellence has been a hallmark of Cook’s Nebraska squads. Since taking over the program in 2000, Cook has guided the Huskers to four national titles, nine NCAA Semifinal appearances, nine Big 12 titles and three Big Ten championships. His teams have compiled a 588-81 record, owning the nation's top winning percentages (.879) during his tenure. The Huskers have appeared in an NCAA Regional 25 times in the last 26 years, including 19 of 20 during Cook’s tenure.

With Cook at the helm, Nebraska has produced numerous individual honors, including five Olympians, a Honda-Broderick Cup winner, three AVCA Division I National Players of the Year, two NCAA Top Ten Award winners, two Senior CLASS Award winners, 57 AVCA All-Americans, three CoSIDA Academic All-Americans of the Year, 19 CoSIDA Academic All-Americans, one Big Ten Player of the Year, six Big 12 Players of the Year and three Big 12 Co-Players of the Year. Husker volleyball players combined for 40 first-team All-Big 12 awards and 61 academic All-Big 12 certificates in Cook’s tenure, while the Huskers have earned 29 All-Big Ten honors and 57 academic All-Big Ten accolades since 2011.

Cook is a seven-time conference coach of the year, including his selection as Big Ten Coach of the Year in 2016 and 2017. He is one of only four active coaches—and one of six all-time—to be a two-time AVCA National Coach of the Year (2000 and 2005) and was honored in 2008 by USA Volleyball by receiving its All-Time Great Coach Award. In 2017, Cook was inducted into the AVCA Hall of Fame, joining former Husker head coach Terry Pettit in the hall.

A graduate of the University of San Diego, Cook earned his bachelor’s degree in history in 1979. He completed his master’s degree in teaching and coaching effectiveness from San Diego State in 1991. Cook and his wife, Wendy, are the parents of two children, Lauren and Taylor.

Academic Attire

The caps and gowns worn during formal academic occasions in American colleges today are the direct descendants of the everyday costumes worn in the universities of Medieval England. Because of the tremendous growth of American colleges and the confusion which would result if each were to adopt a distinctive costume, the Intercollegiate Bureau of Academic Costume was organized. The Bureau has established a uniform code which over 700 institutions have adopted.

There are three types of gowns and three types of hoods for bachelors, masters, and doctors, respectively. The bachelors gown has a long pointed sleeve; the masters gown has a long closed sleeve, square at the end with an arc of a circle just above the bottom. The sleeve extends well below the knee, the arm coming through a slit near the elbow. The doctors gown has a voluminous bell-shaped sleeve with three velvet bars. The colors of the bars are usually the colors of the faculty that granted the degree, but may be black.

The hood is the most important and distinctive feature of the code. The hoods for all degrees are lined with silk in the official academic color or colors of the institution conferring the degree and have an edging or trim of velvet. The color of the velvet edging indicates the course or faculty to which the degree pertains. The lining is exposed when the hood is worn. For example, a doctor of philosophy of the University of Nebraska will wear a hood whose lining is scarlet above the cream-white indicating Nebraska, trimmed with blue velvet for philosophy. The bachelors hood is rather short with narrow velvet edging. It is not worn by candidates for the bachelors degree but only by those upon whom this degree has been previously conferred. The masters hood is considerably longer, has a wider velvet edging, and exposes more of the lining. The doctors hood has wide panels at the side and is easily recognized since, of the three types of hoods, it has the widest velvet edging, greatest length, and fullest exposure of the lining.

The black mortar board cap with tassel is worn with each type of gown. Those holding a doctors degree are privileged to wear a gold tassel. Masters and bachelors wear tassels that are either black or the color appropriate to the course in which they are being graduated.

The Board of Regents, the President, and the Chancellor wear robes with velvet front panels and sleeve bars denoting their office. The Commencement Marshals wear scarlet robes with black velvet front panels and sleeve bars.

**DEGREES WITH DISTINCTION**

Selection for degrees with distinction, high distinction, and highest distinction is made by the college awarding the degree. Each college establishes its requirement for this honor. Students graduating with honors are presented a keepsake medallion. A medallion with a red ribbon denotes graduation with distinction, one with a white ribbon denotes high distinction, and one with a combination red and white ribbon denotes highest distinction.

Chancellor’s Scholars have earned As on all of their graded work at the University of Nebraska–Lincoln and all other postsecondary institutions. They wear a Chancellor’s Scholar pin on their ribbon.

Graduates of the University Honors Program have fulfilled specific requirements. Honors Program graduates wear a red and white epaulette in recognition of their achievement.
