Congratulations from the Chancellor

RODNEY D. BENNETT, Ed.D.

Congratulations to the Class of May 2024. Our entire Husker community celebrates you and your hard work in earning your Nebraska degree. We are proud of you and what you have achieved.

As part of all we do to make this an unforgettable event, we continue our time-honored tradition of presenting our graduates' actual diplomas on stage. It is no small task, but we believe in the power of every person. We build on our strengths and combine them with those of others. That is how we, just like our students and today's graduates, do big things.

The Class of 2024 is notable in many ways, not the least of which is their perseverance. Many graduates began their time at the University of Nebraska-Lincoln during the height of the COVID pandemic. They were unable to participate in many of the traditions and student activities that all previous Huskers enjoyed. Nevertheless, they persisted, earned their degrees, and now possess the tools to contribute to communities across Nebraska and beyond. Congratulations are always in order each Commencement Day, but today is notable because of the Class of 2024's perseverance.

Graduates, as you go on and prepare to do more big things, I wish you good luck. I am excited to see what you achieve with your Nebraska degree!

ROTC Oath

*“I [state your full name],
having been appointed a (Second Lieutenant or Ensign) in the United States Navy, Marines, Army, Air Force, or Space Force do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office upon which I am about to enter. Academic Attire

The caps and gowns worn during formal academic occasions in American colleges today are the direct descendants of the everyday costumes worn in the universities of Medieval England. Because of the tremendous growth of American colleges and the confusion which would result if each were to adopt a distinctive costume, the Intercollegiate Bureau of Academic Costume was organized. The Bureau has established a uniform code which over 700 institutions have adopted.

There are three types of gowns and three types of hoods for bachelors, masters, and doctors, respectively. The bachelors gown has a long pointed sleeve; the masters gown has a long closed sleeve, square at the end with an arc of a circle just above the bottom. The sleeve extends well below the knee, the arm coming through a slit near the elbow. The doctors gown has a voluminous bell-shaped sleeve with three velvet bars. The colors of the bars are usually the colors of the faculty that granted the degree, but may be black.

The hood is the most important and distinctive feature of the code. The hoods for all degrees are lined with silk in the official academic color or colors of the institution conferring the degree and have an edging or trim of velvet. The color of the velvet edging indicates the course or faculty to which the degree pertains. The lining is exposed when the hood is worn. For example, a doctor of philosophy of the University of Nebraska will wear a hood whose lining is scarlet above the cream-white indicating Nebraska, trimmed with blue velvet for philosophy. The bachelors hood

is rather short with narrow velvet edging. It is not worn by candidates for the bachelors degree but only by those upon whom this degree has been previously conferred. The masters hood is considerably longer, has a wider velvet edging, and exposes more of the lining. The doctors hood has wide panels at the side and is easily recognized since, of the three types of hoods, it has the widest velvet edging, greatest length, and fullest exposure of the lining.

The black mortar board cap with tassel is worn with each type of gown. Those holding a doctors degree are privileged to wear a gold tassel. Masters and bachelors wear tassels that are either black or the color appropriate to the course in which they are being graduated.

The Board of Regents, the President, and the Chancellor wear robes with velvet front panels and sleeve bars denoting their office. The Commencement Marshals wear scarlet robes with black velvet front panels and sleeve bars.

Hood colors observed at this commencement, which symbolize various areas of study, are as follows:

Masters Degrees

Education – light blue
Engineering – orange
Fine Arts – brown
Human Sciences – maroon
Journalism (arts) – white
Journalism (science) – yellow

Undergraduate – black
Masters – same color as hood

DEGREES WITH DISTINCTION

Selection for degrees with distinction, high distinction, and highest distinction is made by the college awarding the degree. Each college establishes its requirement for this honor. Students graduating with honors are presented a keepsake medallion. A medallion with a red ribbon denotes graduation with distinction, one with a white ribbon denotes high distinction, and one with a combination red and white ribbon denotes highest distinction.

Chancellor's Scholars have earned As on all of their graded work at the University of Nebraska–Lincoln and all other postsecondary institutions. They wear a Chancellor's Scholar pin on their ribbon.

Graduates of the University Honors Program have fulfilled specific requirements. Honors Program graduates wear a red and white epaulette in recognition of their achievement.
